Youngs Get Their Rezoning

Despite the objections of Mayor Robert Wilton and Trustee William Seemann, Antioch's village board voted 4-2 last Wednesday to rezone the property of Mr. and Mrs. Harold C. Young of 701 North Main St.

The Youngs had petitioned to change the zoning of their 3.8 acres from single family to multiple family use.

The property has 132-foot frontage on Main St. and is 850 feet deep.

THE ISSUE has been under consideration for more than a year. The zoning board voted it down once and the village planning commission twice. The zoning board recently reversed itself, voting 4-2 in favor of rezoning after looking at plans for apartment dwellings that the Youngs might put up some day.

Their attorney, Edward C. Jacobs, recently told the zoning board that the Youngs won't accomplish the development themselves, nor will it take

Gas Station Robbed Here

Two men robbed the J&L gas station on Rt. 173, west of Antioch, last Friday night.

Charles Baker, the station manager, said the pair made off with about \$150.

He told police that the men were armed with a knife and a lead pipe. They walked into the station and demanded money from the two night attendants.

A 51-year-old Antioch man was arrested last Wednesday afternoon and charged with attempted robbery.

The man reportedly used a cap pistol when he threatened a 44-year-old Spring Grove woman in the Antioch Plaza parking lot.

The woman told police that

the man "stuck something in my back and ordered me into my car."

She screamed and the man fled. Police found the subject later walking north on Broadway. He said he was merely trying to get groceries for his family, police said.

The man was taken to Lake

County jail.

A 22-YEAR-OLD Antioch man has a Mar. 5 court date after he was charged with attempted burglary at a home on Longview Drive.

A housewife called police to report that she saw the man

coming down a ladder placed against the side of her home.

Officers Richard Good and George Gialds tracked down the subject by following footprints in the snow. They found him less than a quarter-mile away lying face-down in a ditch alongside Depot St.

place in the near future.

"A development of this type takes a professional developer and a great amount of money," he said.

THE YOUNGS' plans show a 51-unit development with two-story buildings and two apartments on each floor. There also would be 77 parking spaces.

Mayor Wilton said he was "very disappointed" in the fact that four members of the zoning board recommended the rezoning. "I don't feel they did their homework on this," the mayor said. "I am opposed to it."

Wilton said the zoning board disregarded the wishes of Antioch citizens who said in a 1974 survey that, 3 to 1, they were against apartment dwellings, and 400 to 75 that they favored single-family housing.

"I think this should be considered as a planned unit development and not as R-5 (multiple family) zoning," Wilton said.

SEEMANN SAID "one of the reasons we were elected is because we were against spot zoning and we're giving the village a comprehensive plan. I'm also disappointed by the zoning board action."

Seemann also referred to the already existing traffic problem on Main Street.

Trustee Mike Haley, one of the four who voted for the rezoning, said he didn't consider it "spot zoning" and that the village should pursue its present plans to alleviate the Main Street traffic problem regardless of whether apartments eventually are built on the Youngs' property.

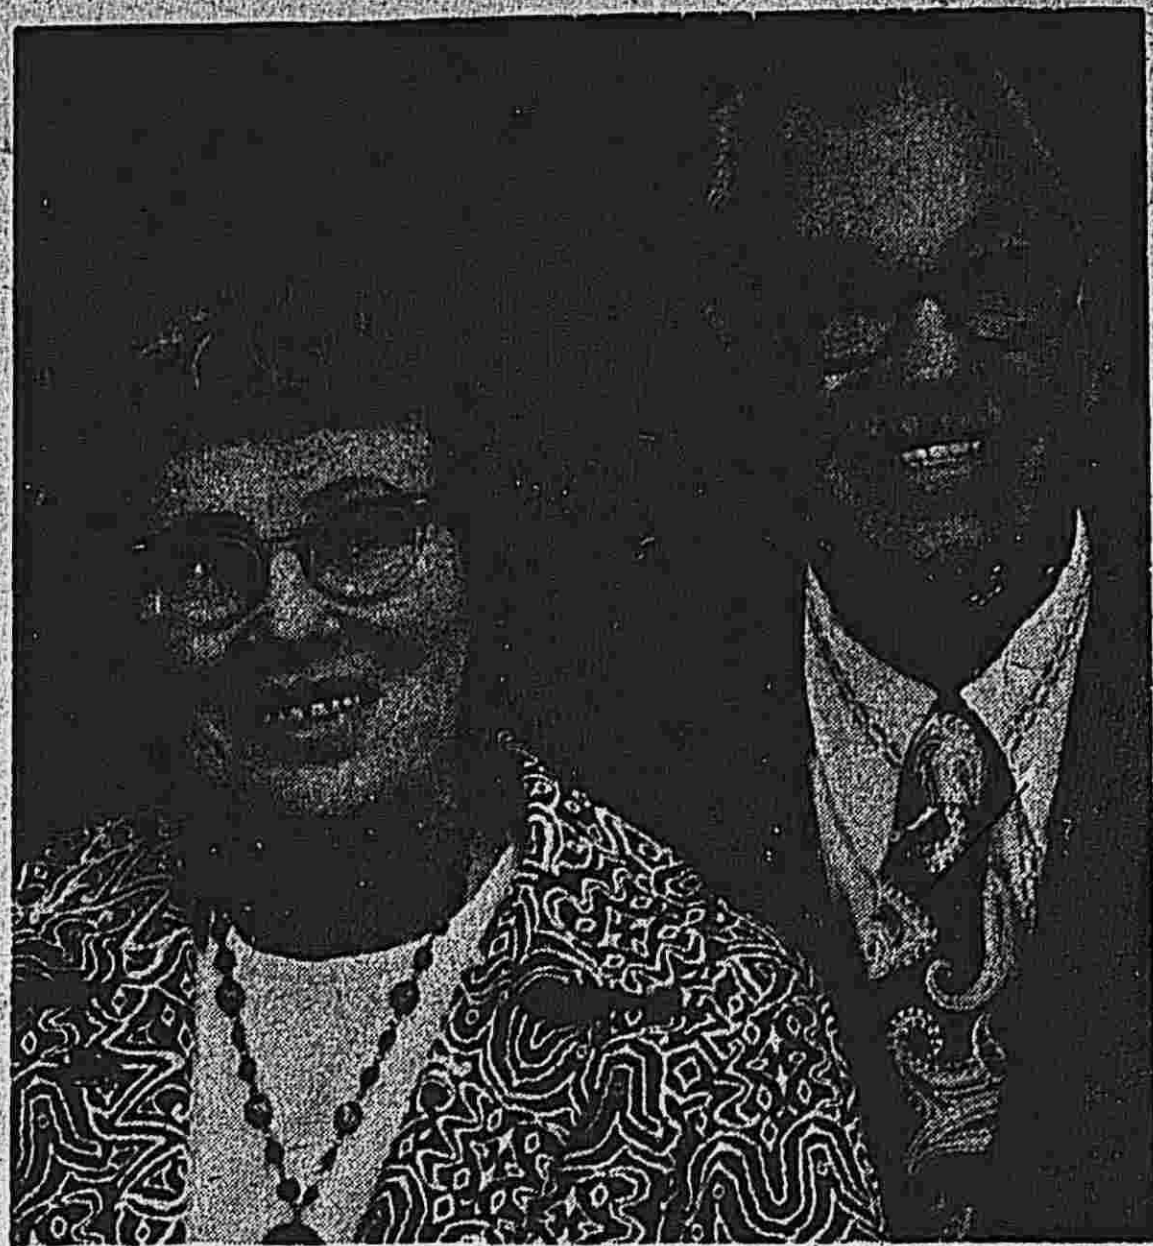

The Youngs once wanted to sell their property to the village as parkland.

Voting for the rezoning were trustees Haley, Marge Nelson, Irving Walsh and Ron Cunningham. Voting against were Seemann and Arnold Weber.

IN OTHER ACTION the mayor appointed a bi-centennial celebration committee with William E. Brook as chairman.

The group planned its first meeting last night. The committee includes Marilyn Sterbenz, William Seemann, Ray Lorenz,

Meet the Zimmermans - Antioch's VIPs

On Saturday, Mar. 22, Antioch will honor Elmer and Gert Zimmerman at St. Peter's 7th Annual V.I.P. Dinner Dance. They are the first couple to be chosen for their contributions of time and talents to Antioch and St. Peter's.

Elmer J. Zimmerman, a German Protestant, and Gertrude R. O'Leary, an Irish Catholic, were both born and raised on Chicago's south side. Elmer took Gert as his bride on June 30, 1923, after becoming a convert to the Catholic faith.

They lived in Chicago while raising their children, spending weekends and summers in North Antioch from 1925 until 1959, when they became permanent residents.

ELMER SERVED his apprenticeship as an electrician in the stock yards of Chicago. In his younger years he worked for

Along the way with ANNIE MAE

Sure is tough getting up when it's pitch black outside. What a struggle at our house to roust everybody out, especially me.

It was a happy occasion for Jim and Nita Osborne when more than 100 of their friends turned out for a pre-Grand Opening party at their Lakeshore Inn. Formerly Fiddler's Green, Osborne's Inn is two miles west of Rt. 59 on Grass Lake Road. The way people are already coming out to dine, it appears it will be a popular place. Good luck to you both in your new venture.

Al and Florence Pedersen of rural Antioch are back from a weekend in St. Paul, Minn. where they watched their son Lloyd Pederson perform at McGuire's Ramada Inn. Lloyd has just finished cutting an album which will be on sale soon.

Marge Gaa and her husband Don are back from a terrific vacation to Las Vegas. Marge won the trip in a sales contest held at Lyons-Ryan Ford. Also along for the fun were Marilyn and Joe Sterbenz, Art and Norma Mierdick and Betty and Cliff Laursen. On the way home the Gaa's spent some time at Larry Ryan's "other home" in Scottsdale, Arizona soaking up the sunshine and scenery.

Congratulations to Norman and Janet Herman on the birth of their son Brian Nicholas on St. Valentine's Day. Happy grandparents are Mr. and Mrs. Frank Feiler of Turner Drive in Antioch.

Judy Phillips and her family spent a super weekend at Howard Johnson's in Rockford. After visiting with family and friends they had lots of fun in the swimming pool and whirl pool. A great place to go for a weekend family treat, I hear.

So far the only information we have received from our readers as to where one may play bingo is from St. Peter's Church. Bingo is held every Monday evening at 7:30 p.m. Remember, the Grass Lake P.T.O. is sponsoring an afternoon of Bingo on Mar. 16 at 2 p.m. in the school.

Joe and Barb Rush spent last Sunday and Monday at the Wisconsin Professional Photographers convention in Milwaukee. Congrats to our favorite photographer - he had three winning entries in the state competition.

Congrats to Scott Shaffer and all of the wrestling Sequoits who made such a fine showing in the state sectional meets last weekend.

The Antioch News Loses a Winner

We consider the newspaper business not a job, but a way of life.

That is why we really enjoy coming to work in the morning.

But Thursday morning will be different here at the Antioch News. We don't look forward to it. The place will seem very empty. You see, Gerri Amundsen won't be here.

Without the rapport that we have with Gerri, the Antioch News won't be quite the same. She has been an extremely important part of this newspaper for more than three years.

Our loss is the gain of Antioch Community High School. Gerri is going to work there as secretary to business manager Ken Wierschem.

When Joe and Barbara Rush sold the Antioch News to us almost a year ago, they recommended Gerri Amundsen with lavish praise. Fortunately, Gerri chose to stay with the newspaper. And in our first 10 months here, we think we can accurately say that we couldn't have hacked it without her.

Besides being receptionist, bookkeeper and Jill of all trades, she has become an extremely capable associate editor. In addition to the public relations job she does for the Antioch News, she is an excellent writer and editor, and she helps to make our advertising more attractive.

Because of her successful association with the Antioch News, we think a lot of "printer's ink" now flows in Gerri's veins. There is something very satisfying about producing a newspaper. In addition to the slings and arrows we suffer each week; in addition to the blood, sweat and tears, we probably enjoy more satisfactions in the average week than any people alive.

Gerri has been very much a part of all this and we know that she has learned to love the newspaper business.

We have four outstanding young women working here. Just for fun, instead of calling them by name we often call out their numbers. Gerri, of course, has been No. 1.

So, since she is leaving, we are starting an Antioch News "Hall of Fame." And we're retiring her number. It will never be used again. The Antioch News never again will have a "No. 1." (Unless she someday decides to come back ... and we all hope that she might.)

In the meantime she promises to remain our

BARRY GOLDWATER

Social Security Is in Trouble

By SEN. BARRY GOLDWATER

The Social Security system is in very deep financial trouble.

And if the system is to stay alive in this age of inflation and government spending, it will take a lot more than a so-called "white paper" signed by eight liberals.

THE EIGHT recently issued a report entitled "Social Security: A Sound and Durable Institution of Great Value." The names attached included former HEW Secretaries Wilbur Cohen, Elliot Richardson, John Gardner, Robert Finch and Arthur Flemming, as well as former Social Security Commissioners Robert Ball, William Mitchell and Charles Schottland.

Any way it is figured, the future of the Social Security system will require a major reorganization involving basic changes in the near future. Annual outlays now run about \$60 billion a year. And a report by a government advisory council, due to be presented to Congress in a few weeks, said that by 1976 Social Security can expect to be paying out about \$7 billion more than it takes in through payroll deductions.

And the "white paper" says that from now until the end of the century a 10 to 25 percent increase in Social Security revenues will be needed. All it failed to do was specify how these moneys could be raised.

THE "WHITE PAPER" signers assailed what they call "a rash of newspapers and magazine articles" declaring that the Social Security system is in deep trouble. They called these attacks a disservice to the nation.

I believe that the disservice is being done by radical-liberals who continue to use the Social Security system for political

purposes and attempt to mislead the American people by telling them everything is all right.

Things are so bad that the government is seeking ways to bolster the old-age plan in the immediate future. Among proposals that have received some consideration are the following:

1 - Postponements of the age at which retirees can receive government pensions.

2 - Increase the payroll tax for Social Security.

3 - End the special Social Security tax and pay benefits out of general federal revenues, putting the burden of the pension on wealthier individuals and corporations.

4 - Cut back on benefit increases, especially on a big break the law gives to workers who have not retired.

SOMETHING DRASTIC needs to be done to make Social Security the "sound and durable" institution the "white paper" signers claim it to be.

The Art Center at Lakeview Place is now taking registrations for classes.

Classes are offered Monday through Thursday from 7 to 9 p.m.

The Town Crier

THERE'S BAD NEWS on page 6, folks. If the Old Farmer's Almanac is correct in its forecast, we're going to get from 3 to 10 inches of snow next week.

Winter has been faking us out in recent years. We have unusually mild Januarys and Februarys and then, pow! - huge snowstorms in March.

Let's all close up Antioch for the month of March and go south. We can come back in April and see if the snow has melted. And if the village is still here. (Or taken over by the Indians.)

DON'T FORGET, Wednesday night, Mar. 12, is the date of the Ducks Unlimited dinner at St. Peter's Social Center.

Tickets are still available from Tony Starcevic at the State Bank of Antioch.

Ducks Unlimited, dedicated to the preservation of waterfowl habitat, puts on quite a dinner. The event includes an interesting auction to raise money for wetlands and habitat for ducks.

This will be the group's second annual dinner. It isn't on the program, but some people are wondering if the veteran stalker who enlivened last year's dinner is planning a repeat performance.

DELIGHTFUL HALFTIME shows have been presented at Antioch High School basketball games. The school's new troupe of Pom Pon girls are really sharp. We particularly enjoyed their recent performance of "Boogie Woogie Bugle Boy From Company B."

And we also always enjoy the presence of the Sequoit Indian mascot, who in real life - under all that warpaint and all those feathers - is Ron Jackson.

VOLKSWAGEN'S NEW television commercial is a winner. "Only \$2,999 ... 38 miles to a gallon ... it goes from zero to 50 miles an hour in eight seconds ... and, best of all, it's easy to wash."

The only thing wrong with work is that the guy who invented it didn't finish it.

Hear ye!

Democrats Plan Fun

The Lake County Democratic Party and Lake County elected officers are sponsoring a dinner dance on Saturday, Feb. 28, at the American Legion Hall on Route 63 and Grand Avenue in Gurnee.

A spaghetti dinner will be served by the Legion Auxiliary, and music for the evening will be by the Versalairs.

A cash bar will open at 7 p.m., followed by dinner at 8 p.m. with dancing at 9.

Oakwood Knolls News

A gala evening is planned for Saturday, Apr. 5 when St. Peter's Social Center will be transformed into a "Shower of Flowers" for the annual Oakwood Knolls Property Owners Association's Spring Dance.

The main door prize will be \$200 in savings bonds donated by Lyons-Ryan Ford-Mercury, Inc. Antioch merchants are being very generous with their gift donations for the dance according to Ken Jandula, chairman of the prize committee. Assisting Ken on the prize committee are Arnold Weber, Sally Denny, Mary Dilloo, Donna Hynes, Roseann Mazzio and Russ Cote.

Tenza Jandula and Avon Cote are co-chairladies of the dance. Tickets will be \$8 per couple which includes dancing and a delicious buffet as well as the door prizes.

The decoration committee members are Barbara Johnson, chairwoman, Sue Ploughman, Donna Hynes, Chris and George Kellogg, Bobbie Rowan and

Delores Pittman.

Publicity for the dance is being handled by Chris Kellogg, Barbara Johnson and Judy Phillips.

The regular February meeting of the Oakwood Knolls Property Owners Association will be held tonight at 8 p.m. at the State Bank of Antioch. The main item on the agenda is to elect a secretary to fill the unexpired term of Roberta Warren who is resigning. Frank Warren has been promoted and the Warrens will be moving to California in the near future. They will certainly be missed by all and are wished the very best of luck.

Loretta Schiffmann reports that seven new families have moved to Oakwood Knolls. Welcome to Mr. and Mrs. C. McCarthy, Mr. and Mrs. James Kempinski, Mr. and Mrs. Randy Lipman, Mr. and Mrs. Leo Nerroth, Mr. and Mrs. Peter Tomaschik, Mr. and Mrs. James Smith and Mrs. and Mrs. Robert Redlind.

YMCA Pool Opens

The Camp Ravenswood YMCA recently opened its new \$400,000 enclosed pool offering a swim program and membership to area residents.

Classes are scheduled to begin the week of Mar. 3 with registration open until Mar. 10. The pool office is open from 9 a.m. to 9 p.m. weekdays, 9 to 2 and 5 to 8 Saturdays and from noon to 4 on Sundays. Persons wishing to join the facility may

do so at any time.

The new pool will also serve Camp Ravenswood's year around camping program.

"Our program and philosophy is very family oriented." We offer a family swim seven days a week, plus instruction in swimming for all ages, preschool through adults," Bill Mathis, pool director said.

George Borovicka, druggist, has accepted the chairmanship of the local Red Cross campaign, and is calling for volunteers.

Postmaster Roy Kufalk has received information that the Post Office Department has proposed to Congress that moderate increases be voted on first, second and third class mail. This would increase first class mailing from three cents to four cents and air mail likewise one cent.

10 YEARS AGO; FEBRUARY 25, 1965

The Democratic-controlled House last week passed a reapportionment bill that would split Lake County into two districts. The bill now goes to the Republican-dominated Senate. Antioch would be in a district with several McHenry county townships.

Bill Robis of Antioch racked up feature and heat race wins to capture third position in point standings at Waukegan Speedway in 1964. Although last season was only his second year, he drove night after night like a seasoned professional.

THE VILLAGE agreed to enter into a contract with an exterminator for the control of a rat problem, if one exists in Antioch.

"Evidently there have been reports of rats down near the village garage," said Clerk Marilyn Sterbenz. Buy they possibly could be muskrats. Every town usually has an ongoing program for pest control, so there's no reason why Antioch shouldn't have a program simply as a deterrent.

MAYOR WILTON said he has discussed problems at the village landfill site with State Rep. Betty Lou Reed and Wayne Erickson of the Little Silver Lake Association.

"There seems to be a problem with garbage not being covered up," the mayor said. "The three of us agreed that these are conditions that shouldn't exist. It's not that we are opposed to the landfill site, but the management still has not received its permit from the Environmental Protection Agency. EPA inspections indicate they are not meeting requirements and the waterways people are unhappy with the condition of the creek in that area."

It's time for that stir in the forest.

Banks closed March 5, 1933 ... Nine-tailed sea monster spotted off Oregon March 4, 1950 ... Town meetings begin ... Patrols looking for dangerous icebergs start out this week ... He that is warm thinks all are so.

Ask the Old Farmer: I purchased a device to roll newspapers into logs for the fireplace, but the instructions that came with the gadget called for the rolled newspapers to be impregnated with kerosene. That way, if you keep one in your wood basket, your living room smells of kerosene. C. L. Cleveland.

Yes, you can burn rolled newspapers without putting anything on them, if you do not roll them up too tightly. We have burned them for years, without kerosene, or a gizmo to roll them.

CHANNEL LAKE CHATTER

Lincoln's birthday and a day off from school was the excuse needed by Donna DeWitt, Lorraine Lemke, Louise Gutowski and their families to journey to Cascade, Iowa to have lunch with Kathy Behren and children at their new home. It was a beautiful day for the little over three hour drive and the thrill of the trip for the children was crossing the Mississippi River. The visit and lunch was great and the Cascade countryside is really beautiful.

Jackie Bjork celebrated her birthday for the second time when her parents took her, sisters Judy and Janet and friend Susan Lemke to the Fairview in Twin Lakes for a special dinner celebration.

Congratulations to Bob Gossman and Bill Harland who placed first and third respectively in the sophomore class of the district wrestling meet.

We are very proud of our daughter, Julie Gutowski, who placed first in the state in the I.H.S.A. bowling league with the high game and high series for the year.

A snowmobile weekend to Vern Thelen's property in northern Wisconsin was a nice get-away weekend recently for

area residents Tom and Dorothy Chase and Gary and Donna DeWitt.

Over 50 people gathered at the home of Les and Arlene Quirk for the Rudolph family reunion. Family came from as far as Massachusetts and Friendship, Wis. The rest of the family are from the Lake County area.

Ken and Faye Anderson and family journeyed to Merrill, Wis. to visit Faye's parents, the Johnson's, over the past weekend.

Gene and Virg Rudolph left on Thursday for a weekend of snowmobiling in Boulder Junction, Wis. where they put over 150 miles on their snowmobiles. The snow was fantastic as were

the trails and they even saw deer on the trails just standing and watching them. Of course, with all that gorgeous scenery, Virgie forgot the camera.

The American Power Boat Association's Region 7 held a meeting at the Howard Johnson Motor Hotel in Kenosha. Attending were Lou Portalski

and Joe Gutowski who along with the rest of Region 7 are planning the National Meeting to be held at the Marriot Hotel in Chicago in November. After the meeting a buffet supper was held at the Gutowski home with Charles Strang and his mother Ann of Lake Forest, Jim Welson of Florida, Bob and Betty

Seeger of Lisle, Larry and Chris Olson of Wheeling and Eddie Zender of McHenry attending.

Dave Behrens spent the weekend with his grandparents, the Sershon's. Dave visited with old classmates and attended the basketball game and dance.

Let me know the news.

Area Students on Dean's List

Students receiving Dean's List honors from Southern Illinois University in Carbondale for the 1974 fall semester are: William Beese, Antioch; Joyce Johnson and David Smiley, Lake Villa; and Robert Hunt from Lindenhurst. Lucinda Hahn of Antioch received a perfect straight "A" for the semester.

Dean's List honors go to students who have maintained a semester grade point average of 4.25 or better on the University's 5.0 scale while taking at least 12 class hours of coursework.

"We make old transformers run like new to make your electric dollar go farther."

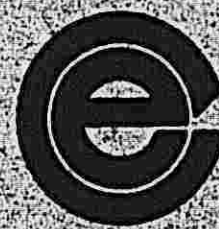

"Before the electricity we generate gets to you, it goes through transformers. Thousands of volts go in one end and come out the other as a neat little stream of energy you can use to run your record player or heat your oven. Commonwealth Edison has thousands of these transformers in the field, working round the clock. Some have been out there for over 30 years and have gotten into pretty rough shape. My job is to get them working like new."

Jim Amos supervises the equipment reclamation program at Commonwealth Edison's Technical Center. This complex of machinery and men operates on one

basic principle: don't buy new equipment if you can make old equipment work like new.

Some transformers just need a tune-up, but others need to be rebuilt from the ground up. It's a tough job. But when you consider that a new transformer could cost as much as \$50,000, it's a job worth doing.

Antioch Republican Club

Lake County Treasurer, Terrence Tucker, was the guest speaker at the meeting of the Lake County Republican Club held at Mr. Wonderful's on Feb. 20.

Tucker enlightened the group

on his duties as the County Treasurer, relating how he invests monies in his care thereby relieving the people of Lake County of additional tax levies. An interesting question and answer period followed.

Zimmermans

Continued from page 2.

Commonwealth Edison Co. and Graham and Norton Elevator Co. After installing the elevators in the 1 North LaSalle Building in 1927, he stayed on as the chief electrician until 1938.

In 1938 he went to work for the Balaban & Katz Theatre chain and in 1940 helped to install the first TV studio in the State Lake Theatre for Channel 7.

"In 1941, after Pearl Harbor, the Navy converted the TV station into a radar school and I was the first civilian instructor at the school," Elmer said.

After World War II Elmer went to work as Superintendent of Electricians at the Joliet Arsenal, staying on through the duration of the Korean War.

Following the Korean Conflict, he took a position as Superintendent of Electricians for the Prudential Building, supervising the installation of Channel 9 (WGN-TV) and the antenna above the roof of the building.

DURING ELMER'S years as a master electrician, Gert was busy raising their two children, and later teaching fourth grade at St. Basil's in Chicago.

Daughter Virginia, a resident of Oak Lawn, has been Mrs. Jerome Richards for the past 25 years and they have seven children. Their three oldest daughters, like Grandma Gert, are teachers. The youngest teaches special education classes for deaf children.

Son Jim lives with his wife, Anita, and their four children in Glenview. Jim spent his senior year at Antioch Community High School and graduated in June of 1949.

Elmer and Gert are very proud of their children and grandchildren. They are a very close family and spend much time together. Their original cottage has been winterized and remodeled by Elmer for the family to stay in when they visit, and Elmer and Gert live in the house they had built since moving permanently to Antioch in 1959.

ELMER'S HOBBIES are his church work and bingo committee. He used to enjoy bowling and golf, until illness forced him to give them up. He has had heart attacks and a stroke, but he hasn't let it get him down.

Elmer has been an usher at St. Peter's for 20 years. He is also a member of the International Brotherhood of Electrical Workers, the Knights of Columbus and the Harmony Club of Chicago.

Gert's hobbies are sewing and painting in oils. She has taught her granddaughters to sew, and has made wedding dresses for the two oldest girls. She will begin soon to create a wedding gown for her third granddaughter, who will be married early this summer.

Many of her oil paintings grace the walls of their home, and she finds much of the inspiration for these paintings in the trips she and Elmer have taken in the United States and Mexico. Traveling is one of their mutual hobbies.

Gert is a member of St. Peter's Altar and Rosary Society. "I enjoy participating in their fund raising endeavors such as, helping at the rummage sales, dinner dances, salad bar luncheons and last but not least, working at bingo," she said.

The dinner dance committee, headed by Wally and Betty Podlin, hope that all of Antioch will join the Zimmermans, their family, and their friends on the night of Mar. 22.

Tickets are available at the parish rectory and local banks at last year's price of \$7.50.

CABL Hearing Next Tuesday

Antioch's village trustees will hold a public hearing next Tuesday on the proposed pre-annexation agreement of the CABL property.

The hearing will be in the village council chambers at 8 p.m.

The owners of the property want the village to annex about 150 acres of land north of the Upper Grade School. It is bordered on the east by Tiffany Road and on the north by North Avenue.

United Way Meeting

The United Way of Lake County will hold its ninth annual meeting Thursday, Feb. 27 at 4 p.m. in the Parkway Restaurant.

President, Marschall Co-

bourn announced that in addition to reports of various committee chairman, new officers and board members will be elected at the meeting.

Crystal Exhibit At Library

Karen Kirschke, Jr. member of the Lake County Gem & Mineral Society has placed her crystal exhibit in the display case at the Antioch Library. She began collecting rocks at the age of six and has continued gathering her collection of rocks, minerals and fossils on the family's camping trips.

For the past five years Karen has had an exhibit at the Lake County Fair as part of her geology project for 4-H. She has also exhibited at the annual Lake County Gem & Mineral Society show for the past two years.

"Rockhounding is a great hobby," Karen said. "I really wish more people would join in the fun."

Lions Club Gets Special Recognition

Next week, Mar. 2-8, is "Lions Recognition Week," and the observance has been encouraged by Mayor Robert Wilton and the Antioch village trustees.

The resolution passed by the village board on Feb. 3, "urges all citizens who consider the Lions Club to be an irreplaceable asset in Illinois and in the Antioch area, to observe this

special week and to support and honor the club.

The Antioch Lions Club is one of 629 local clubs of special help in their community and to help

promote community projects. The local Lions Club over the years has been involved in many such activities. To name a few:

1. Annual Candy Day for Blind.
2. Building and maintaining a swimming pool to teach children and adults to swim.
3. Helped organize the Antioch Rescue Squad and continued help in fund raising activities.
4. Annual Chicken Bar-B-Q to raise funds for all community activities.
5. Helping the village install street lights when the need was urgent.
6. Sponsor of "Save our Sight Day," including the testing of adults and children for blood pressure and eyes.
7. Helping the Antioch Rescue

Squad set up the best heart unit in the area.

8. Conservation activities such as the original Fishing Derby, started in 1939.

TED C. LARSON, chairman of Lions Club Recognition Week, is particularly interested in having all the people of the community become aware of the activities the Local Lions Club has been involved in since its founding in 1937, with the main objective of service to the community.

Larson said he hopes that "Recognition Week" will allow all citizens to know just who the Lions are and what they do and "maybe we can interest some more concerned citizens in joining with the Antioch Lions Club to help our community and less fortunate neighbors."

Airport Taxi Fare Controls! Many international airports are starting this program of not paying the taxi driver directly

for private transport from the airport to the city. Instead you prepay your fare at a transportation desk and are given a coupon for the taxi driver. This will eliminate the last minute confusion of money exchange and being stuck with an exorbitant fare.

Ever wind up at the wrong airport? Nowadays with wide schedule reductions, it's not all that unlikely to fly into one when your car is at the other or your airline connection is at the other. This happens all too often especially in New York because of three airports and all international flights in and out of JFK only. Depending on your schedule, taxi or bus connections might create problems. The simple solution is New York Airways helicopter service. Regular day and night schedules link all three airports at fares often less than taxi charges. Often if you're making a connecting flight, you may be entitled to a free trip so be sure and check with your travel agency at the time of booking. Flight time is between five and ten minutes with more than sixty scheduled flights daily between 7:10 a.m. and 10:10 p.m. This hint can eliminate an extra night in New York.

Grayslake Snaps Sequoits' Streak

Warren Plays Here Friday

For the last minute of Saturday night's basketball game here, Grayslake fans got to their feet and chanted happily:

"We beat Antioch! We beat Antioch! We beat Antioch!"

And that's exactly what the

Grayslake Rams did, 83-72, breaking Antioch's 27-game conference winning streak.

The impressive string of

victories scored by the Sequoits over the last three seasons stands as a conference record.

Nobody thought Grayslake would end it, but the Rams were hot Saturday night.

ANTIOCH LED 42-36 at the half, but Grayslake outscored the Sequoits 24-10 in the third quarter to take a 60-52 lead. The faithful local fans figured the Sequoits would pull the game from the flames, but it never happened.

"You can't take anything away from Grayslake," said Antioch coach Roger Andrews. "They did a super job offensively and made our defense look very poor."

The Sequoits still have an 11-1 record in the conference and have clinched the championship for the second straight year. They play their final conference game here Friday night, against Warren at 8:15 o'clock, and then get ready for tournament competition.

GRAYSLAKE HAS been a rapidly-improving team. The previous night they beat Woodstock 70-68 with the same balanced scoring they used against Antioch.

Coach Gary Bartell was asked how he beat the Sequoits:

"A lot of praying and a lot of loss of hair," he said. Then he explained that he did his best to stop Antioch's one-two scoring punch of Mike Perrone and Russ Albano.

"They collapsed in the middle so we had to shoot from outside," Antioch's coach, Andrews, conceded.

Perrone was held to four baskets and 16 points. Scott Kimball hit for 18, Mike Witt for 16 and Albano for 12.

There was nothing wrong with the Sequoits scoring - 72 points - but they were up against a team that was hotter offensively.

"I WAS REAL PROUD," Andrews said, "of the way our kids took the loss graciously. They stayed out on the floor and

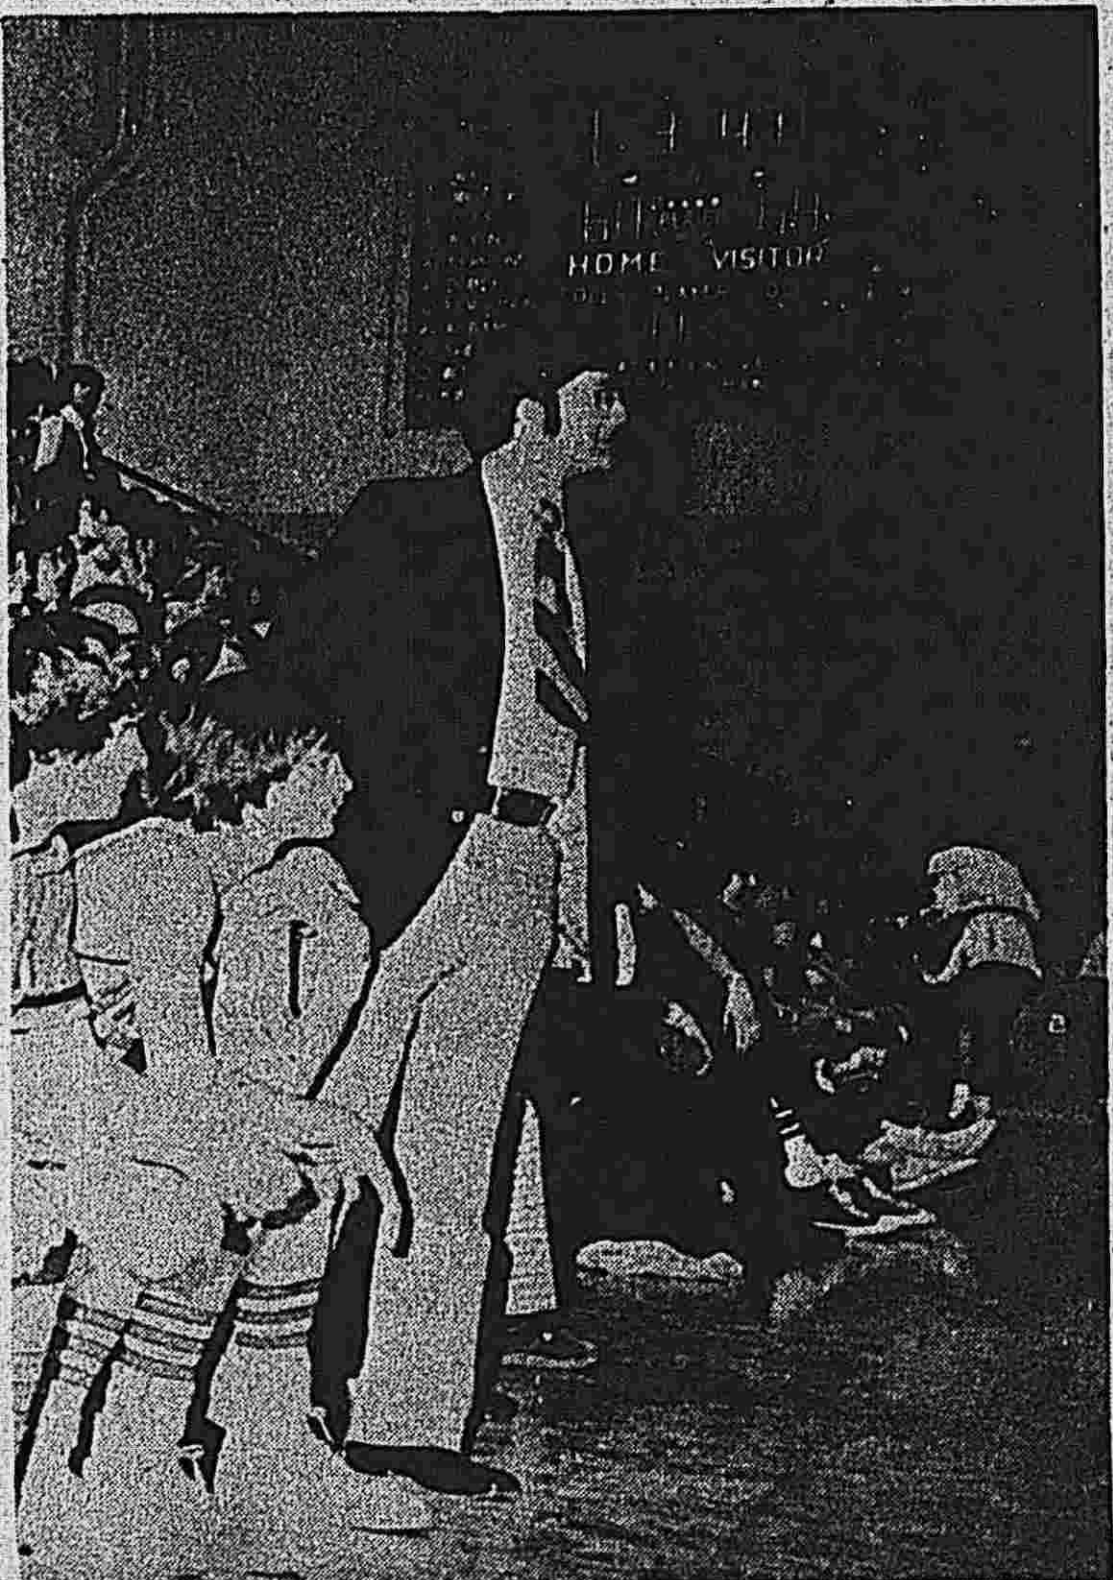

shook hands with the Grayslake players. The community and the high school can be proud of them.

Andrews also said he was proud of the way his players "controlled and contained themselves" the previous night when they were beating Grant 67-60.

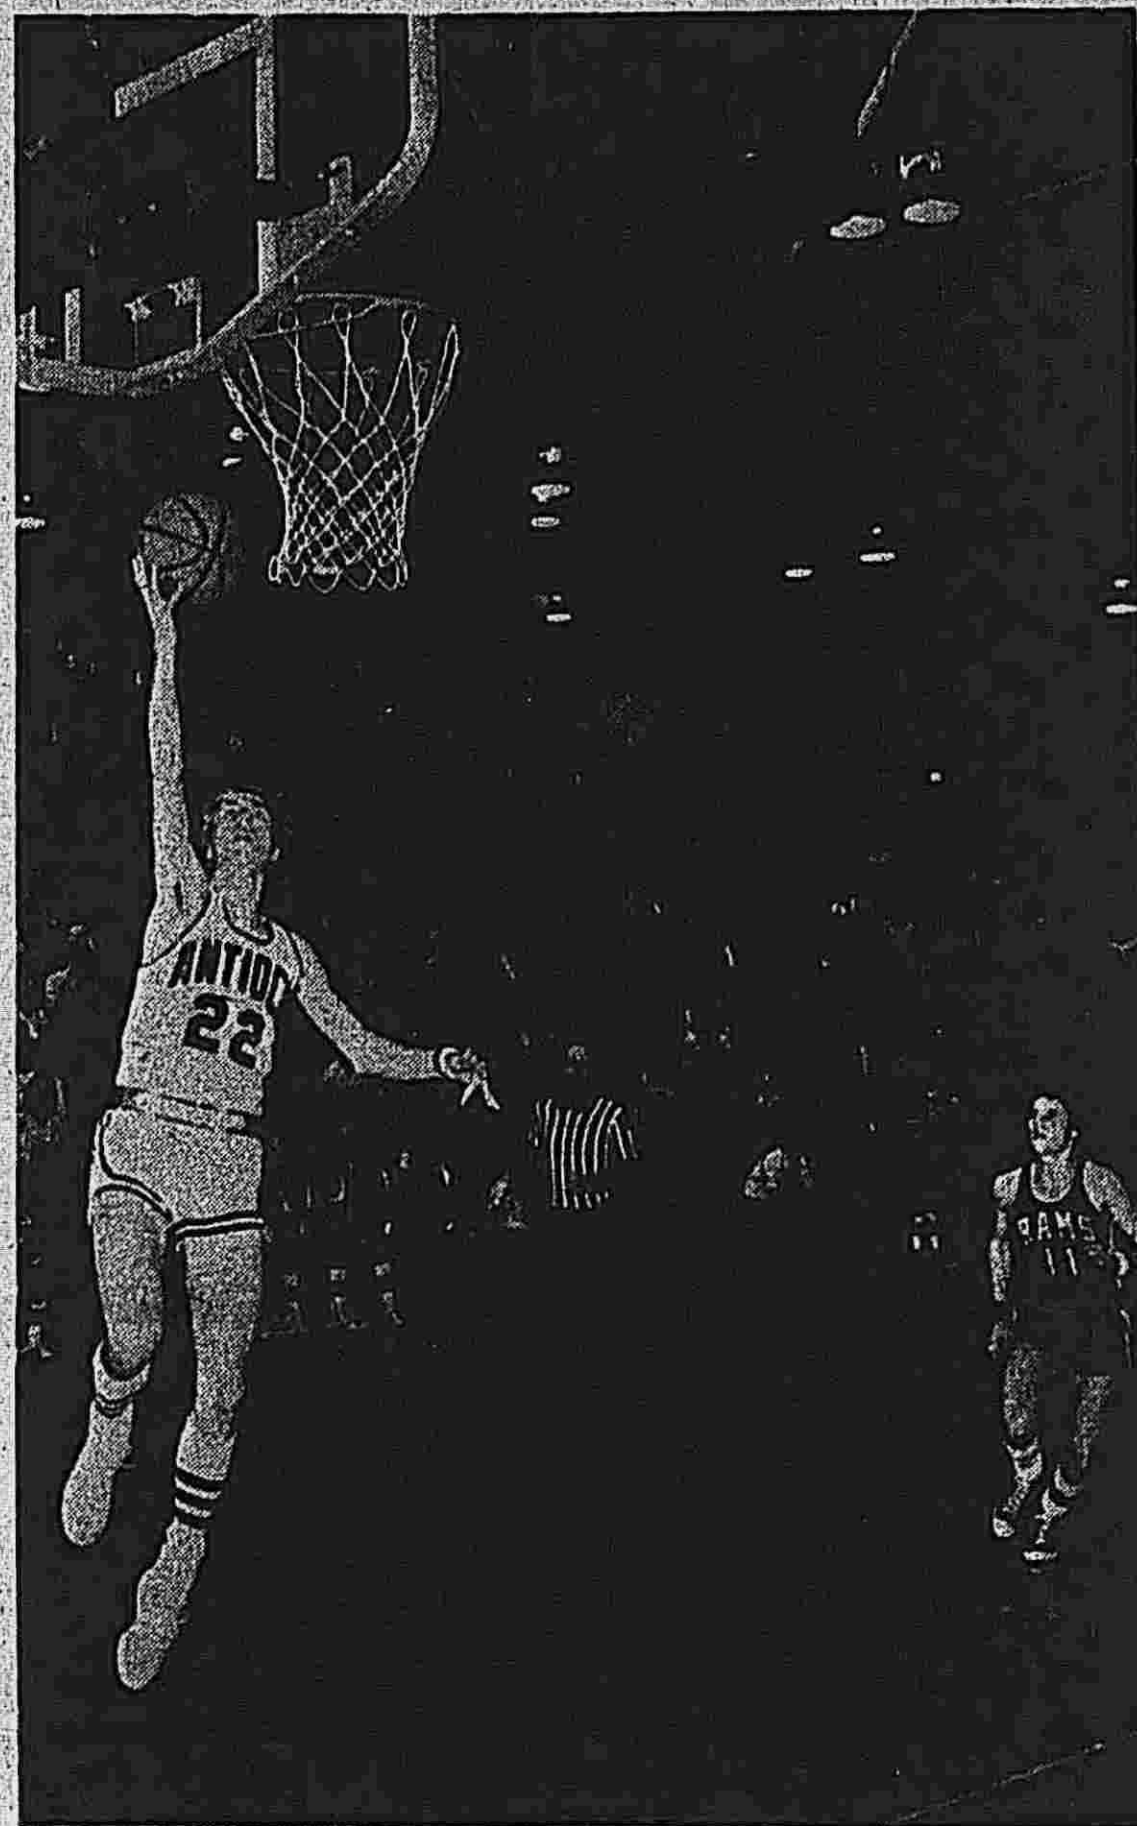

"It was a very rough ball game," Andrews said. "I'm not sure we could even call it basketball. Our kids were really beaten up physically. Grant just played dirty. The officiating kept the game close."

Perrone was knocked down several times, suffering floor burns and bruises.

Albano led scorers with 17 points. Mike Witt was sharp again, hitting 16, and Perrone got 15.

PICTURE TELLS THE STORY -- Antioch's coach, Roger Andrews, unbeaten in 27 straight conference games, wears concerned look as his Sequoits lose to Grayslake. Scoreboard shows Antioch trailing 68-60 with 3:47 to play. The Sequoits never caught up.

ANTIOCH'S MIKE WITT is all alone as he scores on a fast break against Grayslake. But the game wasn't this easy. The Sequoits were shocked by the Rams 83-72 and had their 27-game conference winning streak broken.

Bernadette Kreulach Wins \$15 in Contest

Since Antioch had beaten Grayslake by 30 points (94-64) about a month earlier, none of the many people entering last week's Antioch News basketball contest predicted that Grayslake would triumph last Saturday in their second battle.

But lo and behold, alas and alack, Grayslake did win. By 11 points.

So the winner of the \$15 first prize in the basketball contest is the person who picked Antioch to win by the least number of points. And that was Bernadette Kreulach who said the Sequoits would win by only three.

"Three is my lucky number," said Bernadette, "and that's why I put it down. This is the first time I've ever won anything."

Her 10-year-old daughter, Caroline, won the first prize of \$15 a few weeks ago.

Second prize last week went to Mike Pinkham, who picked Antioch by five points. He wins a \$10 gift certificate at BJ's Fashions for Men, or BJ's Closet.

Third prize, a \$5 savings account at the First National Bank of Antioch, goes to Shayne Schroeder, who predicted Anti-

och would beat Grayslake by six points. This is about the fourth time Shayne has won a prize in the Antioch News football and basketball contests.

ANOTHER BASKETBALL contest appears in today's issue of the Antioch News. First prize again is \$15. Second prize is a \$10 gift certificate at Grass Lake Lumber and third prize is a \$5 savings account at the Antioch Savings & Loan Association.

The "game of the week" will be Friday night's final conference game of the season, when Warren plays at Antioch.

Grass Lake Routs Millburn

Grass Lake took two games away from Millburn to end their conference season. The eighth graders won 60-35 and the "B" team tripped the Mustangs 29-9.

The eighth grade netted five straight baskets to open the game and ended the first quarter leading 24-4.

Leading scorers were Chucky

Frosh

Grants Bulldogs of Fox Lake upset the Antioch freshmen last Saturday 37 to 34. The loss was the second for the young Sequoits in 11 conference games. Antioch is tied with Warren for first place.

Tom Huebner carried Antioch to an 18 to 8 first quarter lead as the six foot flanker scored 15 points in the period. The Bulldogs tightened up on Huebner and he scored only four more points. Unfortunately, the other Sequoits were unable to pick up the slack. Still Grant trailed until late in the game when they got hot momentarily and hit four straight shots.

Coach Hahn considered poor shooting as a large part of the problem. Antioch missed 12 free throws and hit only 13 of 35 shots from the field.

Kempf with 27 points and Kevin Walsh and Pat Sikorski both with 10 for Grass Lake. Bob Sertic and Jim Weise each dropped 10 for Millburn.

Scott Shaffer Wins Sectional Title

Antioch's star wrestler, Scott Shaffer, won his second state sectional title last weekend, scoring a tough 7-6 victory over Brian McGrath of Mundelein in the tournament at Rockford.

Shaffer went into the 112-pound competition with a record of 26-0-1 for the season. McGrath was 17-1-2.

Shaffer thus earned a trip to the state championships this weekend at the University of Illinois in Champaign.

Two of Scott's brothers, Steve and Larry, and a step-brother, Cliff Bode, also have represented Antioch in the state meet.

ANTIOCH SCORED 14½ points last weekend to place 13th in the field of 31 teams at Rockford.

Shaffer, Greg Nordstrom and Bill Hogan won first-round matches for Antioch.

Shaffer then scored an exciting 9-8 decision in the semifinals over Rockford Auburn's Ty Buchanan, who was 23-3-1 for the season.

Nordstrom lost a 14-7 decision

to the eventual champion in his weight class and Hogan lost to John Trice of Zion, who wound

up second in their weight class.

IN HIS FINAL match, Shaffer

almost pinned Mundelein's McGrath and once led by a score of 7-2.

Last year Scott was sixth in the state and Coach Ted DeRousse says he will be shooting for the title this weekend. The championships will be held in the university's assembly hall on Friday and Saturday with matches beginning at 1 and 7 p.m. both days.

85-Year-Old Bowler Rolls 597 Series

SPRING GROVE - The man who wrote "youth must be served" never heard about Dick "Gramps" Ristow.

Ristow, who is 85, recently rolled 179, 237 and 181 for a 597 series and high triple handicap mark of 729 in the Intermatic plant bowling league.

Why does an octogenarian want to bowl?

"I don't have to, I want to. I gotta be in amongst people. If I didn't have bowling I'd have quit a long time ago," says Ristow. He has been bowling for 65 years and married for 63. "My wife likes the game too, and used to come watch me," he adds.

Ristow lives in nearby Pistakee Highlands, just north of Fox Lake.

He retired about five years ago from Marshall Field & Co., and went to Florida. ("I bowled down there too," he says). Ristow returned north shortly thereafter and went to work with Intermatic.

Antioch Swimmers Cover 373 Miles

The weekend of Jan. 31 through Feb. 1 - 2 saw 121 boys and girls, 25 from the Antioch area, churning the waters of the Waukegan YMCA swimming pool in the fourth annual "48-Hour Swim-A-Rama."

The marathon swim began at 6 p.m. on Friday at the firing of the starter's pistol by Frank Minnerly, executive director of the YMCA. When Waukegan Mayor Bob Sabonjian fired the final shots on Sunday evening, the group of swimmers had traveled 1,505 miles (373 miles for Antioch alone!).

Participating YMCA swim-

mers hope to have earned enough money from their "Swim-A-Rama" to cover their expenses for the next season, including transportation to and from swim meets, team suits, entry fees and rental of an official-size pool. Thanks to the generosity in particular of the Antioch merchants, in cooperation with the whole of Lake County area, this goal may be reached.

The Antioch Swim Team members are grateful for the support and would like to thank the following Antioch sponsors:

The State Bank of Antioch;

The First National Bank of Antioch; Ben Franklin Family Center; Colleen's Fine China; The General Store; Polson's; The Sewer; Foremost Liquors; The Shoe Box; Walsh's All-Seasons; Blanchette Radio and TV; True Value Hardware; Haley Bros. Cleaners; Four Squires; The Young Image; Antioch Travel; BJ's Men's Fashions; Dick Witt Insurance; Wilton Electric Shop; Cornelius Real Estate; King's Drug Store; Roy Witek Insurance; Barnstable's; Erickson Sewing Center; Fur, Feather & Fin; Stanley's Men's Store; Lyons & Ryan Ford; Don Pittman Motors and Tiffany Real Estate.

Top swimmer for Antioch was Frank Bessette, 16, who

covered 31 miles in a grueling 48 hours. Eighty-eight lengths in the YMCA pool equal one mile and that equals a lot of swimming. Others listed with age and swimmer's mileage are as follows:

John Schmidt, 11 - 29; Ted Bessette, 12 - 26; Steve Bundy, 16 - 20; Margaret Bessette, 14 - 20; Jenny Schmidt, 13 - 20; Teddy White, 11 - 20; Karen Shepard, 12 - 17; Joe Manning, 10 - 16; George Bessette, 10 - 15; Craig White, 9 - 15; Sherri Shuman, 16 - 15; Bob Dodd, 17 - 16; Jean Cilik, 12 - 15; Judy Houghton, 11 - 14; Mary Ann Cilik, 11 - 10; Debbie Bundy, 13 - 10; Ann Ivy, 10 - 8½; Jeff Bundy, 10 - 6½; Margaret Ivy, 8 - 5¼; Joan Cilik, 9 - 5; Bryan White, 6 - 3½.

All-Star Honors

St. Peter's Cagers won the first two games of the Knights of Columbus tournament last weekend by defeating St. James 54-35 and Immaculate Conception 38-36. They lost their chance for a 3rd or 4th place playoff berth, however, when

Maryville of Des Plaines defeated them 43-29.

Congratulations to Bill Ranker who was chosen by Mt. Carmel for the "all star team."

League tournament playoffs began Tuesday, Feb. 25 in Algonquin.

Tax Relief For Senior Citizens

State Rep. Betty Lou Reed (R., 32nd) has discovered that only 3.071 percent of the funds for grants under the Senior Citizens and Disabled Persons Property Tax Relief Act of 1973 ... the so-called "circuit breaker" tax relief for senior citizens has come to Lake County. The act provides that senior citizens over 65 and earning less than \$10,000 per year, who either pay rent on an Illinois residence or own property in the state, may file for a cash grant amounting to 4 percent of property taxes or rentals. The provisions of the act include mobile home

residents.

Homeowners may apply any time after filing their final tax bills. Renters may file at any time.

Application forms are available at Rep. Reed's Deerfield office: 927 Holly Court, Deerfield, Illinois 60015. Or, applicants may telephone her office at 312-945-9260 for the necessary forms.

"I hope we get a flood of calls and letters. Our senior citizens deserve all the help we can give them. The average rebate in Lake County is \$164.88 and is worth applying for," Mrs. Reed said.

Celebrating this week are Kevin Walpole on the 26th, Jeff Henning on the 28th, Steve Haley, Ev Oftedahl and Mike Gutowski on Mar. 1, special wishes to Jerry Pfarr on the 2nd and Phil Maplethorpe celebrates on the 3rd. Many happys everybody!

Glad to hear Bev Knutsen is home and resting easier. Get well wishes to Mary McCann.

REMEMBER, this weekend the Antioch High School P.T.A. is presenting an 18 act Talent Show in the school auditorium. Also, be sure you get in town to take advantage of all of the sales offered by the merchants for Dollar Days.

See ya,
